Professional Experience

Instructional Designer | February 2025–Present

Acquire BPO — Telecommunications, Energy, and Gas

- Design and develop curricula for complex systems and procedures related to telecommunications infrastructure, energy distribution, and gas pipeline operations.
- Introduces vibe coding into training courses by developing AI-assisted, interactive learning experiences and integrating custom-coded activities to improve learner engagement and practice.

Training Lead | September 2024–February 2025

Hexaware — Magazine Services

- Led development of a live workbook that improved team efficiency and contributed to a 5% improvement in operational performance.
- Collaborated with the Assistant Manager to plan and deliver training bootcamps.
- Reviewed existing training materials and developed solutions to improve learner outcomes.
- Led team engagement and program development.

Training Specialist | May–July 2024

ePLDT

- Created a SessionLab library of icebreakers and wellness activities to improve participant engagement.
- Designed a Work-Love Language test sheet to support effective team communication.
- Developed English 101 modules and a Training Fundamentals curriculum for trainers.
- Facilitated trainer workshops, resource-improvement sessions, and feedback sessions.
- Completed and refined documentation for an existing DICT project.
- Supported planning and delivery of the M365-FLI Caravan.
- Coordinated with external providers delivering Microsoft M365, Google Workspace, and Contact Center as a Service (CCaaS) training.

Senior Trainer I / Trainer II | April 2022–May 2024

Concentrix — Social Media Platform — Non-voice

- Developed training plans aligned with operational objectives and client needs.
- Supervised and coached trainers, providing feedback and professional development.
- Served as point of contact for two lines of business, coordinating communication across teams.
- Developed Agent Lifecycle Playbook reports to track trainee progress.
- Created a training simulator with realistic practice scenarios for social media campaign implementation.
- Designed a nesting performance evaluation system to assess individual and team effectiveness.
- Led training initiatives across four social media campaign lines of business.
- Created workplans, trackers, performance improvement plan materials, and other training resources.
- Recognized as a CNX Quarterly Rockstar awardee for Trainers.

- Conducted more than 20 new-hire training classes, achieving an average throughput rate of 97%.
- Mentored Program Ready Trainers and supported certification through observation, co-facilitation, and solo delivery.
- Monitored trainee performance at 30-, 60-, and 90-day milestones and advised team leaders on improvement strategies.

Trainer II (Back-to-Back Classes) | January–March 2021; October 2021–March 2022

Concentrix — Financial and Tax Preparation

- Achieved client trainer certification for two quarters.
- Delivered back-to-back training for financial and tax preparation programs within compressed timelines.
- Used lectures, discussions, role-play, interactive quizzes, and gamified tools such as Kahoot! to support engagement and retention.
- Developed and delivered training on financial products, tax preparation processes, and client service protocols.

Team Leader in Training (Interim) | March–October 2021

Concentrix — Financial and Tax Preparation

- Led two teams during the US tax preparation season.
- Monitored performance, identified improvement opportunities, and used the SMARTER method in coaching.
- Conducted root-cause analysis and applied positive reinforcement and consequence management to address productivity opportunities.

Team Leader in Training (Interim) | October 2020–January 2021

Concentrix — Retail/Sales

- Led a 20-person sales team during the holiday season.
- Monitored team performance and coached staff using the SMARTER method to address performance gaps.

Program Ready Trainer | July–October 2020

Concentrix — Retail/Sales

- Delivered new-hire training on company products, services, and sales methodologies.

- Designed and facilitated back-to-back training programs to support knowledge transfer within compressed timelines.
- Achieved a 96% trainee throughput rate.

Subject Matter Expert | January–July 2020

Concentrix — Retail/Sales

- Served as a subject matter expert for a retail account and supported staff across Makati and Alabang sites.

Customer Service Advisor I | August 2019–January 2020

Concentrix — Retail/Sales

- Consistently exceeded sales targets by 15% and ranked among the team's top five monthly performers.
- Used product knowledge and customer service skills to build rapport and support sales.
